

## CUSTOMERS OF AVON COMPUTECH

01/01/2016

Dear customer

It has been a pleasure to serve you in the past, and we look forward to doing business with you in the future, albeit from a different premise and in a different way.

After 19 ½ years of service with a retail shopfront in Northam's Fitzgerald Street we have made a business decision to close the retail side of our operations and focus primarily on an onsite and remote IT support business service in the Avon and Wheatbelt areas.

We will be operating effective 04/01/2016 from an Office at the rear of 40 Old York Road, Northam (Dunnings Fuel Depot - Admin Office) accessible from Chidlow Street, off Old York Road.

All pickups and drop offs will be by appointment only as we cannot guarantee the office will be manned at all business hours due to the inherent nature of callouts that occur.

Indeed, we will strive to continue to provide the high level of service that you are accustomed to. Our Phone number remains the same **08 9622 5190**.

Please call to discuss your next IT issue as you have always done so, if the office is unattended please leave a message and we will get back to you as soon as possible.

Kind regards

Rob and Stacey Sargeant & Colin Bignell
